## **Silent Key**

It is with a very heavy heart that we announce the passing of James Dwyer on August 9, 2010. Jim was a giant in the wireless industry, and there are few people in the business whose lives he didn't touch in some way. He was there at the beginning, with a vision that resonates today.

A member for almost 25 years, Fellow since 1998, No one deserved the 1998 Sarnoff Citation more than Jim did, and it was the Club's pleasure to award it to him for all of his contributions to the now-ubiquitous world of wireless communications.
