The 2021 Young Wireless Professionals Welcomed as Radio Club Members

(September 30, 2021) The 2021 Young Professionals, selected in a program jointly managed by IWCE and the Radio Club of America, were welcomed as members of the oldest organization of wireless professionals in the world, the Radio Club of America, during IWCE 2021. The four individuals all work in wireless, are under the age of 35 and were recognized for “executing some of our industry’s most innovative ideas, showing creativity and initiative.”

The 2021 Young Professionals are:

JoAnna Wang, Director of Government and Community Affairs, Modus LLC

Susan Kea, DAS Sales Director West, JMA Wireless

Margaret (Maggie) Carothers Lynch, President & CEO, Royal Communications International Inc.

Austin Schaller, RF Engineer, Ball Aerospace

About RCA

Founded in 1909, the Radio Club of America is the oldest, most prestigious group of wireless communications professionals in the world. Members are dedicated to the wireless art and science for the betterment of society. The Radio Club of America is a 501(c)(3) organization. For more information, visit www.radioclubofamerica.org.
